Fortnite parent tips

- Some tips from the E safety ambassadors themselves. If you go in to chat games such as fortnite with someone you don't know in real life and they say something offensive or mean block them immediately.
- Don't give your account details to another player.
- If you buy v-bucks don't buy off other sites/people.
- If you add people you don't know in real life be aware of the people who could be a lot older and could ask for your details.
- Even if you don't have a mic you can still get texts on chats and you can still hear other people on your side so be aware of it.
- If you create an account on fortnite don't use your real for safety reasons.
- Be sure to choose a strong password.
- Make sure to limit your time
- Fortnite is a 12+ game.
